

Floor Cleaner

High Performance Soil Removal/Gloss Restorer
/Safe on Surfaces and Hands

SPECIAL FEATURES

Pure Science Floor Cleaner is a concentrated, floor cleaner designed for efficient soil removal for all floor surfaces. In addition, Floor Cleaner will restore the appearance and gloss level of all Pure Science floor finishes at a very low dilution, while revitalizing moisture back into the film itself. Floor Cleaner is an absolute essential in Infinity Floor Care maintenance.

DIRECTIONS

Dilution with water from the cold tap is recommended. Can be used in hard or soft water on all washable surfaces such as stainless steel, doors, walls, etc. For best results, all cleaning rags and mops should be cleaned with any Pure Science Cleaners.
