

# Neutra Rinse

Easy to use/Acidic Rinse/For Floor Preparations  
Residue Remover/Safe

## SPECIAL FEATURES

Pure Science Neutra Rinse is a food grade acid based chemical neutralizer, ideal for neutralizing alkalinity and chemical residue used on floors, carpets and all surfaces with alkaline residue. At a low dilution formula Neutra Rinse can be highly effective on multiple floor surfaces and applications such as daily cleaning or floor prep before floor finish application.

## DIRECTIONS

### Floor use

- After stripping, mix Neutra Rinse at 2-4 oz per gallon.
- Flood coat the floor and let Neutra Rinse sit for 2-3 minutes. Thoroughly scrub rinse the floor with black/green pad.
- Pick up the Neutra Rinse and then give the floor a clear water rinse. Rinse floor with clear water
- Do not use on stone composed floors

### Carpet use

- Add 1 oz/gallon of Neutra Rinse to clear water tank to neutralize the carpet residue
- For malodor odors, use 2 oz/gallon of Neutra Rinse to clear water tank

## Properties

Color: Light Green  
Detergency:  
No Detergency
